

This is the list Mike & I compiled of damaged homes in Trailer Estates.  
 We drove up and down every street and looked at homes from the street. We have three categories; Cosmetic (minimal damage) Debris (alluminum and other things in and around house), and Damaged (needs immediate attention). If the owners were in the park we did not add them to this list. If you are not on this list your home looked ok to us from the street. Remember you may have damage that is unseen
